

WHAHC 2021

The World Hospital at Home Congress (WHAHC 2021) took place on 19th – 21st April 2021 as a Virtual Event. It brought together the international thought leaders and experts at the forefront of the field for 3 days of unparalleled networking, discussions and the latest technology and applications in Hospital at Home.

You can access the abstracts of this meeting by clicking on the sections below the video that follows.
