

WHAHC 2023

After two successful events in 2019 and 2021, we had the third edition of the **World Hospital at Home Congress (WHAHC 2023)** on 30 March – 1 April 2023 in beautiful Barcelona, Spain.

COVID-19 has influenced all of us, people and citizens, as well as professionals and healthcare providers. We summarized a lot of the impact of the pandemic during our WHAHC 2021 Virtual Congress, but **meeting again in person allowed us to dive deeper** into our lessons learned and conclusions for the future of HaH.
